Sample Usage - Auditing

A silhouette of a person in a suit and orange tie is shown on the left. A large white speech bubble contains the following text:

Who modified the price
of milk to \$320?

When did he/she do it?

What was the value before the
change?

...

Product	Price
Biscuit	10
Bread	8
Milk	320
Sugar	6

For business reasons, you may want to know the answer of these questions.
